Thursday Evening Qigong Series

Tai chi and Qigong is to China what Yoga is to India

Brought to the West by Bruce Frantzis, and taught by Judy Pruzinsky, L. Ac.
Since 1990, Judy has been studying with and certified to teach by:
Bruce Frantzis, Mantak Chia, Gilles Marin, and Jerry Allan Johnson

**Qigong can be called exercise
it can be called meditation
it can be called moving mediation**

Qigong will increase your ability to better know your body and emotions. In class, we focus inwardly on how we move and what we feel. Letting go of a multitude of distractions, we enter into stillness, and we attend to our own well-being. This is a powerful medicine that no doctor can provide for us.

New Eight Week Series: 7:30-8:30 PM 1/4 - 3/1 (no class on 1/25)

In China, Dragon and Tiger is practiced by 20 million people to treat degenerative disorders such as arthritis, asthma, and cardiovascular disease. It is also prescribed to help cancer patients.

In Dragon and Tiger you will learn how to stretch and move your joints, release tension, and increase stability in the way you stand and walk. By tracing acupuncture lines of your body, you clear out blockages (pain/disease). This increases the circulation of chi, blood, and other bodily fluids, resulting in more energy, better immunity, and decreased stress.

All classes include special attention to alignment. In this series we will bring particular focus to our breath.

Location: Enso 131 Kelly Street, HMB

Class size is limited.

A private introductory class can be arranged.
